## 50 OF THE BEST

Beauty counters are an Aladdin's cave of promises – a treasure house of make-up and skin-care products designed to make us look fabulous and feel great about ourselves. However, there are some that shine because they're great value, a pleasure to use or they really do work. Kate Lovelace looks at 50 top products we can't live without

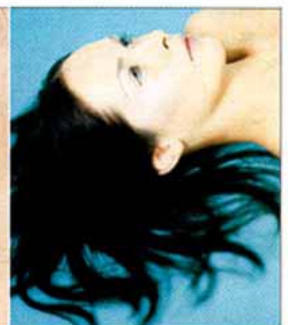

NAILS

LIPS

EYES

HAIR

- 7. **Manicare French Manicure**, \$19.80. The only French manicure kit with exactly the right shades of nude and white, and that actually lasts a whole week without chipping or fading.
- 8. **Sally Hansen Kwik Off Moisturizing Nail Color Remover**, \$7.95. A sponge saturated in nail polish remover is the best system for whisking off nail colour. Even the most stubborn nail polish colours slide off instantly.
- 9. **CosPlus Nail Hardener**, \$12.55. We swear by this, it really does strengthen nails.
- 10. **Revlon Nail Enamel**, \$10.95. Without doubt, the longest lasting, best nail polish ever.

- 11. **M.A.C. Lipglass**, \$29. A luscious gloss that comes in an endless array of colours. It's easy to apply, and lips love the creamy texture.
- 12. **Bloom Lip Glaze**, \$8.10. Top marks to a conditioning lip shine with essential oils. It comes in a great range of colours, and adds gloss over lipstick or to nude lips.
- 13. **Blistex Lip Tone**, \$4.35. Sun protection, lip moisturiser and great natural lipstick in one. Real value for money.
- 14. **Juvena Rejuven Q10 Lip**, \$29.95. A conditioning and plumping treatment that feels like it does something.

- 15. **Body Shop Camomile Eye Make-up Remover**, \$11.95. The most refreshing and efficient eye make-up remover there is.
- 16. **Mirenésse Curling Mascara**, \$26.50. This Australian mascara lasts all day without smudging, and can simply be washed off with warm water.
- 17. **Nivea Eye Zone Patches**, \$11.30. Stick-on eye treatment patches that can be worn on the run (well, around the house anyway!).
- 18. **Johnson's Baby Oil**, \$4.10. An old favourite with a thousand uses, one of the most popular being to remove eye make-up.

- 19. **Wella Experience Liquid Hair Repair & Volume Spray**, \$9.95. One of those styling products you can't live without once you have tried it.
- 20. **Artec Kiwi Shampoo and Conditioner**, \$11.30 each. The double act your hair needs. The fresh and fruity formula seals in colour and conditions without diminishing volume.
- 21. **Fudge Hair Shaper**, \$15.95 for 100g. A firm hold crème that shapes and volumises hair without making it feel sticky.
